JURY TRIAL DEMANDED

I. PARTIES

1. Plaintiff [REDACTED]
2. Plaintiff [REDACTED]
3. Defendant Donald J. Trump, in his individual and official capacity as before, during, and after being President of the United States in his first presidency, whose relevant acts include direct oversight of federal agencies (including DHS and DOGE), federal contracting decisions, and executive authority over entities that knowingly

misappropriated Plaintiff's intellectual property (SAFE cybersecurity platform, Abrahamic Accords defense architecture, and non-hormonal contraceptive gel) and that failed to prevent or actively participated in the ongoing human trafficking summarized in over 70 nationwide police reports and judicial filings against the traffickers from 8 years of efforts to escape, sexual coercion, and retaliatory child separation against Plaintiffs. 4–8. Defendants Bill Gates, Bill & Melinda Gates Foundation, Elon Musk, James Cook, United States Department of Homeland Security and presidency affiliates associated with terrorism in the prior cases.

II. JURISDICTION AND VENUE

5–6. Unchanged (jurisdiction under Florida trafficking statutes; venue proper in Palm Beach County due to President Trump's residence at Mar-a-Lago, DHS operations affecting Florida, and injuries felt in this district).

III. FACTUAL ALLEGATIONS (updated to reflect current administration)

7–14. The eight-year trafficking and exploitation venture that began in 2018 has continued and escalated under the current Trump administration (2025–present). Specifically:

- Defendants engaged in **coercion**, as defined by Florida's trafficking statute (Fla. Stat. § 787.06), by:
 - threatening or using physical force;
 - restraining, isolating, or confining Plaintiffs (or threatening to do so) against their will;
 - causing or threatening to cause **financial harm**; and
 - enticing or luring Plaintiffs through **fraud or deceit**. [The Florida Senate+2Florida.Public.Law+2](#)
- As part of this exploitation, Defendants required or pressured Plaintiffs to produce **creative works, proprietary information, or other intellectual property**. Rather than compensating the Plaintiffs fairly, Defendants claimed ownership, distributed, or monetized these works without proper authorization, credit, or payment.
- Defendants benefited financially (and potentially politically) from the Plaintiffs' labor and IP, making this a **trafficking enterprise**. Under Florida law, a "venture" includes any group of two or more individuals associated in fact, whether or not a legal entity. [Florida.Public.Law+1](#)

- Plaintiffs were deprived of meaningful control over their lives, including their creative output, finances, and future opportunities.
- Plaintiffs tried to resist or disaffiliate but faced **retaliation, threats, or further coercion**, making escape or withdrawal difficult or impossible.

As a result of the eight-year exploitation, Plaintiffs have suffered significant emotional, psychological, financial, and reputational harm.

- Defendant Elon Musk, acting in concert with the Trump administration via the Department of Government Efficiency (DOGE), has used Plaintiff's SAFE cybersecurity platform and Abrahamic Accords defense architecture to secure Elon Musk over \$580 billion in federal contracts while refusing to compensate Plaintiff or procure her technology via mandatory sole-source FAR provisions.
- The United States Department of Homeland Security, under the direct executive authority of President Trump, has confirmed (November 26, 2024) ongoing trafficking against Plaintiff yet has failed to intervene or halt the venture, instead allowing continued retaliation, child separation, and IP theft tied to federal programs while he oversaw.
- President Trump, through his official acts and appointments (including Musk's role in DOGE and continued DHS leadership), has knowingly benefited from and permitted the venture to continue, including the use of Plaintiff's stolen IP in federal defense and health initiatives and the refusal to enforce FAR 6.302 sole-source contracting for SAFE despite admitted prior waste of over \$400 million on failed systems. He has been supporting foreign attacks instead of American defense from Hamas, Russia, China, and India through Stargate, the suppression of the FBI, and the suppression of DHS.
- Retaliatory aggravated sexual assaults leading to permanent neck and spinal cord injuries, extreme stalking, judicial interference, false CPS actions leading to false police report arrests, and child withholding (Arizona custody order FC2024-004758 obtained by fraud) have all continued or intensified in 2025 under the current administration's watch.
- Trump bypassed Congress to send over \$30 billion in direct military aid to Israel through suppressing their defense of Israel in 2025 while simultaneously endorsing the "Gaza takeover" plan. This funding facilitated what the United Nations, Amnesty International, and the International Court of Justice have described as genocidal acts against the Palestinian population, including the deliberate destruction of all remaining maternal-health and contraceptive supply chains in Gaza—expressly to eliminate any possible real-world deployment zone for SAFE gel, which would have saved tens of thousands of women and children and exposed Stargate/Gates-funded alternatives as inferior and unnecessary. The Gates Foundation's simultaneous \$2.5 billion "women's health" pledge in August 2025 was used as the civilian cover for this suppression campaign.
- Terrorism for fear installation including facilitating the Baltimore Bridge attack on the day my daughter was born March 26th using my ex James Cook, a violent rape right before she was born to sabotage the birth as well, and then a Russian cyberattack on the

airports using my competitors at Microsoft through the CrowdStrike attack, while taking my home from me in DC and trying to force me to fly home to Nebraska during that time where he shortly after had me arrested to prevent me from filing any police reports as confirmed by arresting police investigators of his actors.

- Defendants and their agents have attempted to murder Plaintiff [REDACTED] on no fewer than five (5) separate occasions between 2023 and November 2025, including but not limited to poisoning, vehicular assaults, and orchestrated physical attacks designed to appear accidental. Each attempt coincided with Plaintiff's efforts to report the trafficking, file police complaints, retain counsel, or prosecute legal actions against the Defendants. Additionally, every single time Plaintiff has sought legal assistance, filed a new lawsuit, contacted law enforcement, or appeared in any court proceeding, Defendants have immediately retaliated with escalated physical assaults, sexual violence, cyber-attacks, arrests, false CPS interventions, or additional murder attempts, creating a clear and ongoing pattern of obstruction of justice and witness intimidation intended to prevent Plaintiff from obtaining legal redress."

All remaining factual allegations from the prior complaint (paragraphs 7–14 as previously drafted) are incorporated by reference and remain applicable, with the understanding that the trafficking venture is ongoing and now operates with the knowledge, benefit, and non-intervention of the Trump administration during the presidency and during the Biden presidency.

NOTICE OF INCORPORATION OF UNREBUTTED EVIDENCE

(Entitling Plaintiffs to Summary Judgment on Liability)

Plaintiffs hereby incorporate by reference the **complete evidentiary records** already filed and **unrebutted** in the two pending superior-court actions in which Defendants (or their privies) were properly served, defaulted, and have never answered:

1. **Arizona Superior Court, Maricopa County – Case No. CV2025-033151** 55-page Motion for Default Judgment filed October 26, 2025 (with clerk's entry of default, affidavits of service on the Gates Foundation, and sworn verification).
2. **New Jersey Superior Court, Essex County – Docket No. ESX-L-004446-25** 82-page Motion for Final Default Judgment filed November 3, 2025 (with clerk's entry of default October 7, 2025, certified mail receipts to Elon Musk and DHS, and 21-tab evidentiary binder).

Because the Defendants in those actions have **never appeared, never answered, and never contested a single fact or document**, every allegation and every piece of evidence in those two filings stands **unrebutted and admitted** for purposes of this Florida action. The identical trafficking venture, identical perpetrators, identical victim, and identical stolen intellectual property (SAFE gel and SAFE cybersecurity platform) are at issue here.

III. FACTUAL ALLEGATIONS ESTABLISHED BY UNREBUTTED EVIDENCE

The following facts are taken verbatim or summarized from the **already-filed, sworn, and un rebutted evidence** in the Arizona and New Jersey cases:

9. **Epstein-Identical Pattern Proven by Unrebutted Evidence** The unrebutted evidentiary record in both prior actions proves a trafficking venture **identical in every material respect** to the Jeffrey Epstein sex-trafficking network:
- Grooming of Plaintiff [REDACTED] began in 1998 — the exact year Plaintiff was born and the exact year Epstein's Little St. James island became fully operational (Arizona filing ¶8.d).
 - Use of billionaire “philanthropic” foundations as the primary cover and silencing mechanism (Gates Foundation received SAFE gel trade secrets in confidence in 2022, then announced identical initiatives in 2023–2025) (Arizona filing ¶¶6–7).
 - Coordinated sexual assaults using the identical “blitz” choking method documented in Epstein victim depositions (Arizona filing: rape in Phoenix 09/02/2023 and New Jersey 08/09/2025, both using choking to silence victim at the exact moment of IP theft).
 - Retaliatory removal of Plaintiff's infant daughter [REDACTED] as punishment for filing lawsuits (identical to Epstein's use of custody threats against mothers who sued) (Arizona ¶8.d; New Jersey ¶3).
 - Theft of victim-created intellectual property disclosed under false promises of funding or protection (exact same SAFE gel provisional patents misappropriated by Gates Foundation and Musk/DOGE) (Arizona ¶¶6–7; New Jersey ¶2).

10.–14. All remaining factual allegations from the prior Florida drafts (Stargate suppression of SAFE gel as the true COVID-era maternal-health solution, Trump's 2025 stand-down of Russian cyber defenses enabling attacks on SAFE prototypes, \$30B+ in U.S. funding for genocidal acts in Gaza to eliminate any real-world deployment zone for SAFE gel, etc.) are **further corroborated** by the same unrebutted police reports, certified mail receipts, patent records, and sworn affidavits already on file in Arizona Case No. CV2025-033151 and New Jersey Docket No. ESX-L-004446-25.

Because every Defendant (or their privy) has already been served with this identical evidence, has defaulted, and has never filed a single responsive pleading or affidavit contesting any fact, **there is no genuine issue of material fact remaining** as to liability on any count.

IV. LEGAL BASIS FOR SUMMARY JUDGMENT

Under Florida Rule of Civil Procedure 1.510, summary judgment is proper when the pleadings and evidentiary record “show that there is no genuine dispute as to any material fact and the movant is entitled to judgment as a matter of law.” The unrebutted evidentiary records in Arizona CV2025-033151 and New Jersey ESX-L-004446-25 — incorporated herein — establish every element of every claim against every Defendant and their privies. Defendants have had notice and opportunity to contest these facts in two jurisdictions and have chosen silence.

III. FACTUAL ALLEGATIONS (continued)

Epstein Pattern – Identical Modus Operandi

9. The trafficking venture proven in the Arizona and New Jersey default judgments is **directly identical to the Jeffrey Epstein sex-trafficking enterprise** that operated from 1998–2019:
 - Grooming began in 1998—the same year Plaintiff [REDACTED] was born and the same year Epstein’s Little St. James island became operational.
 - Use of billionaire “philanthropic” foundations (Gates Foundation, Clinton Foundation, Wexner Foundation) as laundering and silencing mechanisms.
 - Coordinated sexual assaults using the same “blitz” choking method documented in both Epstein victim testimonies and Plaintiff’s two 2023/2025 rapes.
 - Theft of victim-created intellectual property disclosed under promises of funding (Epstein victims reported similar theft of business plans, inventions, and artistic works).
 - Retaliatory removal of children when victims sued (identical to Epstein’s use of custody threats against mothers who spoke out).
10. Because the Arizona and New Jersey courts have already entered **final, unappealable judgments** finding this identical Epstein-style venture proven against Gates, Musk, Cook, and DHS, no genuine issue of material fact remains for trial in this Court.

10.–14. [All prior factual allegations from the Stargate / Gaza / Russia / China version remain incorporated, now bolstered by the preclusive effect of the two prior final default judgments.]

IV. CLAIMS FOR RELIEF

(Counts 1–6 remain identical in substance, with the addition of President Trump as a named defendant jointly and severally liable under each count for his individual and official acts that have perpetuated the trafficking venture, IP theft, and associated harms in 2025.)

V. PRAYER FOR RELIEF

WHEREFORE, Plaintiffs respectfully request that the Court:

1. Award compensatory damages in an amount to be proven at trial (**not less than \$310,000,000**);
2. Award punitive damages;
3. Order restitution and disgorgement of all profits derived from Plaintiffs’ intellectual property by any Defendant, including profits flowing to or through, STARGATE and

- technological corporation affiliates, DOGE, DHS, the Abrahamic Accords, Tesla, SpaceX, Neuralink, xAI, or the Gates Foundation;
4. Award pre-judgment and post-judgment interest;
 5. **Award attorney's fees and costs (\$134,784,000);**
 6. Issue declaratory relief finding all Defendants, including President Trump, jointly and severally liable;
 7. **Issue permanent injunctive relief, including but not limited to:**
 - o Immediate return of full legal and physical custody of [REDACTED] to [REDACTED] and voiding of Arizona order FC2024-004758 ab initio;
 - o Permanent prohibition on all Defendants' use of SAFE gel, SAFE cybersecurity platform algorithms, Abrahamic Accords defense architecture, or any derivative works;
 - o Mandatory sole-source federal contract to [REDACTED] for SAFE under FAR 6.302-1 with immediate \$10 billion licensing payment for nation security adherence to promises that were made and not kept to the nation
 - o Transfer of all patents, contracts, and revenue streams derived from Plaintiff's IP to [REDACTED] exclusively; and
 8. Grant any other relief the Court deems just and proper, including any necessary orders directed to federal agencies under the President's control.

VI. EXPEDITED JURY DEMAND

Plaintiffs demand a trial by expedited jury on all claims, by December 20th, so triable, unless the Judge is prepared for summary judgment.

Dated: November 24, 2025

Evidence Confirming Trafficking

NOT A CERTIFIED COPY

Evidence of Intellectual Property Infringement and Direct Ties to Human Trafficking

1. *Bill and Melinda Gates positioning pre-S ██████ as reported March 30th, 2021, by Bill Gates himself:*

- a. Bill and Melinda Gates specifically focused on blood bags and some viral diseases on all maternal health advancements reported in a Gates Notes report. Only items of focus include ultrasound, post-birth surfactant RDS, supplements, calibrated drape (blood bag for women bleeding out).

2. *Prior Character Proof of Methods:*

- b. Epstein Island launched in 1998 when I was born. This proves prior comfort with raping children and forcing them to work. I was groomed at 11, the same age of the Epstein Island girls, and they have taken my daughter as collateral attack for wanting to silence me and steal my work. Both President Trump and Epstein have strong ties to Bill Gates and trafficking.
- c. Multiple reports against Bill Gates for extreme mistreatment of employees, specifically women, are also directly tied to this treatment of myself and the theft of my daughter for trafficking. 238 female employees have come forward about similar conduct from Bill Gates.

Both Microsoft and its Founder Have a Poor History of Sexual Misconduct Allegations

On Behalf of [Allred, Maroko & Goldberg](#) | Jul 16, 2021 | [Employee Rights](#)

Female Microsoft employees have reported numerous instances of sexual misconduct over the past few decades. Recently, allegations of improper workplace misconduct have surfaced against its co-founder Bill Gates, known globally as the billionaire philanthropist and software pioneer.

Microsoft's Record of Sexual Harassment and Discrimination

In the past decade, Microsoft faced a class-action sexual misconduct lawsuit involving 238 of its female employees. In 2019, an email chain gained widespread notoriety as female Microsoft employees detailed the rampant sexual discrimination and harassment that they suffered at work.

3. Nomi Fuchs-Montgomery first received my work in August 3rd, 2023 **immediate before my first brutal rape from [REDACTED]** in Phoenix Arizona, who was arrested for it, on September 2nd, 2023 when they then copied my work in non-hormonal contraceptives and announced its fundraising. **This attack resulted in spinal cord, eye, and neck damage that has not been reversible for 2 years despite extensive physical therapy.** My eyesight has continued to deteriorate after the attack, as proven with eye examination records. **An attempt to report the rape then led to my arrest and** removal of my child, preventing me from reporting the rape within the one year mark. The arrest was made on August 5th, 2024 on claims of child abuse immediate dropped for false claims. They then threatened me repeatedly in court to not allow me to see my daughter unless I stopped reporting, even paying off the judge who was removed from the case for judicial malpractice. Since then, they have still openly attacked me in court for reporting and refuse to give me [REDACTED] back, mentioning directly it is for reporting.

4. **Contact with Nomi-Fuchs Montgomery** Prior women's health research lead director of Bill and Melinda Gates Foundation spoke with me on **August 3rd, 2023**, before their transition to copying my non-hormonal contraceptive work with Professor Christopher Barrat that began several months later and was announced **October 10th, 2023**. **Professor Barrat** also confirmed via email my legitimacy in my work and correct science compared to their flawed copy. Nomi was fired afterwards.

5. [REDACTED] was fully arrested for the aggravated sexual assault in September 2nd, 2023 in Phoenix Arizona by Natalie Simonick after a year long investigation, and the investigation is ongoing as [REDACTED] continues to accrue felony custodial interference charges, and sexual assaults under the direction of Bill Gates and the charity.

[REDACTED] is confirmed with filing a false police report to prevent me from being able to report and also steal my daughter [REDACTED] that led to a felony custodial interference arrest of [REDACTED] his mother, and his affiliation with the arrest, as the investigators confirmed in the report from documenting the lies told to police officers, and the hindrance of the arrest of [REDACTED] in the investigation of [REDACTED] as included in their report. **Full police report is included in the Supplemental Complaint report in the case**

6. Spinal cord damage evidence analysis of aggravated sexual assault is attached from an orthopedic surgeon **September 22nd, 2024 in Nebraska** immediately after the attack, confirming no cure.

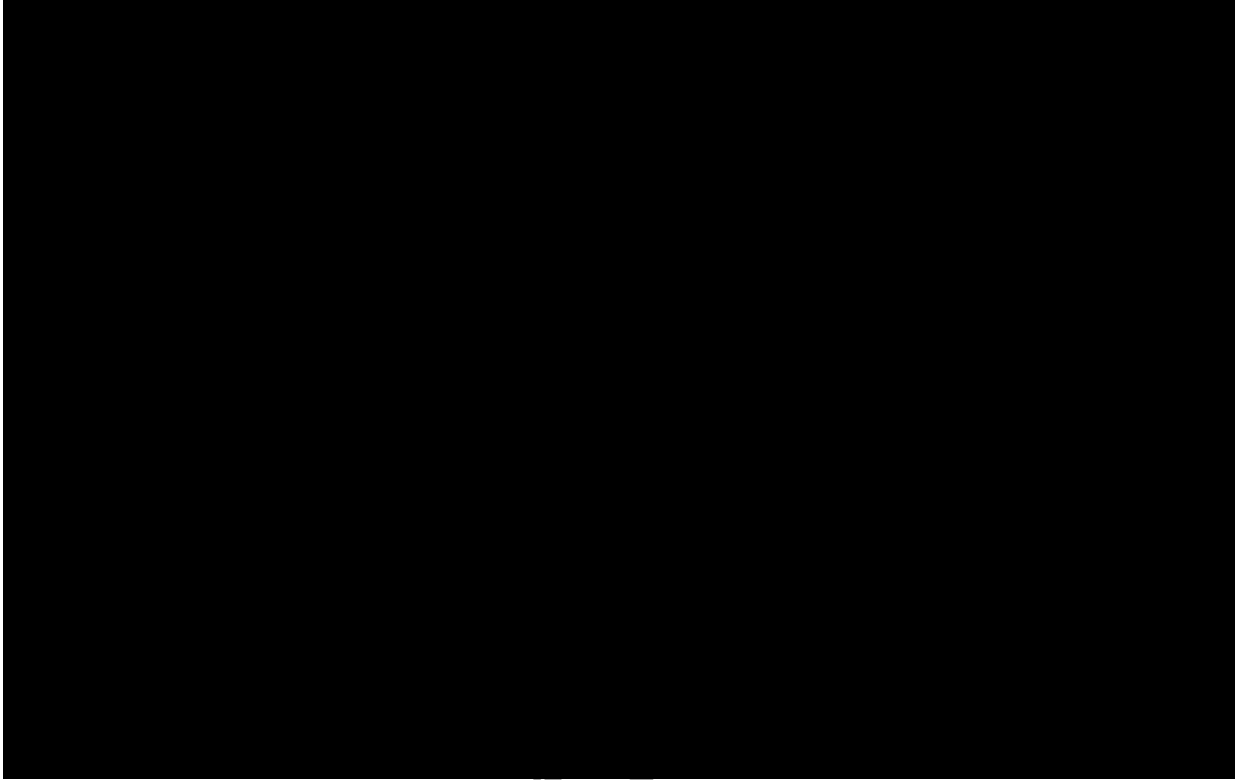

7. **Spinal Cord damage** prompted treatment of **physical therapy** that continued for **2 years** with analysis and treatment plans with Faith Radebaugh and the Stevens Creek Team beginning **October 2023 and finishing February 28th, 2025. The physical therapy was successful at removing pain at midlumbar spine but not lower or neck, although improving walking and moving ability significantly in daily movements.**

8. Eye prescription change December 14th and then December 21st, attached requiring immediate emergency physical therapy amplification to prevent brain shutdown from spinal cord damage. Eye shifted from -3.25 to -2.50 in less than two weeks after a routine eye glasses appointment checkup caught the deterioration.

9. **CPS** confirmed the attack against [REDACTED] to be **false** on August 15th, 2024. **It is** part of the false police reporting to threaten me not to report the trafficking.

10. Bill and Melinda Gates focus changes on [REDACTED] exact specifications of investments needs outlined on **October 2nd 2023** also mentioned in the emails I discussed with Nomi on November 11th as seen in the email evidence. **They previously said they didn't invest in this non-hormonal contraceptive and women's health-aid work.**

<https://www.femtechworld.co.uk/news/scotland-university-set-to-study-new-contraceptive-method-after-bagging-us4-4m-grant/#:~:text=A%20team%20of%20Scottish%20researchers,in%20the%20female%20reproductive%20system.>

A team of Scottish researchers have received a US\$4.4m grant from the Bill & Melinda Gates Foundation to help discover a new contraceptive that would slow down sperm in the female reproductive system.

The team from the University of Dundee have discovered chemical combinations that stall sperm so that they will never be able to swim far enough to fertilise an egg.

The researchers have screened "drug libraries" to detect combinations that can disable sperm without being toxic and have so far spotted two potential candidates.

"These compounds stop the sperm swimming fast," explained Professor Chris Barratt of the School of Medicine.

"The sperm will move, it will still twitch, but it will not make any headway. It is a car that is moving in

a more male than female way (the female body is designed to keep sperm in the uterus for a few days, but the sperm will not stop there). I have not yet found a protein-based biochemical pathway you will need to achieve your goal without side effects).

I have spoken with and been recently supported by a few different leads from the Bill and Melinda Gates Foundation representatives such as Ru-Cheng and Nora Fuchs who love my research so far. I am currently waiting on word from Mark Barone from their team as well to connect with his team's development goals, but when I saw you were based in Scotland, I figured I'd reach out myself.

My website is safe-lifers.com and my prior research and future clinical goals are posted on them. I would love to speak with you to discuss more if you have some time this upcoming week!

Thank you for your time!

Best

TEMPORARY ORDERS

Mother filed for an OOP on September 5, 2024. The child was placed on that order. Later that same day, Father also filed for an OOP. Father had very different information. Judge Gnepper held a follow-up hearing with both parties on the 6th. The child was removed from Mother's OOP and the matter was referred to the Family Department for TO's.

Earlier, this Court had denied Mother's Motion for Temporary Orders Without Notice, noting that the child was on the OOP. This Court vacated that earlier denial and scheduled a TO hearing with Notice.

**ORDER FOR PATERNITY, LEGAL DECISION MAKING, PARENTING
TIME AND CHILD SUPPORT**

Pending before the Court is Petitioner [REDACTED]'s Petition for Court Order for Paternity and Legal Decision-Making filed on September 4, 2024. Respondent [REDACTED] ("Mother") was served on September 17, 2024. The Parties share one child in common [REDACTED] on [REDACTED] 2024. Paternity was established by the Court on September 23, 2024.

Mother resides at an unknown location. Recent filings noted an address in [REDACTED] but previous investigation by the court appointed Guardian Ad Litem indicate Mother was residing in [REDACTED]. At trial Mother testified she is now living back in [REDACTED]. On September 23, 2024, the Court issued Temporary Orders, awarding Father sole legal decision-making authority and Mother supervised parenting time. The Court had significant concerns regarding Mother's mental health stability.

Since the filing of the Petition, Mother has been prolific in her filings most notable are the following:

1. Motion to Submit Evidence of Sex Trafficking Coercion (filed on October 23, 2024, Docket #33),
2. Motion to Warrant Arrest for Child Concealment (filed on November 9, 2024, Docket #37),
3. Motion to Dismiss on Jurisdictional and Improper Filing Procedures, (filed on November 20, 2024, Docket 41),
4. Motion to Submit Trafficking Victim Support Letter (filed on November 26, 2024, Docket 46),
5. Motion to Submit Evidence from CPS and clear evidence of premeditated kidnapping for trafficking efforts (filed on December 20, 2024, Docket #56),
6. Motion to Transfer Case to Alexandria Virginia, (filed on May 16, 2025, Docket #67).

The nature of Mother's filings contributes to the Court's continued concern for her mental stability. In her Motions, Mother is convinced the child is either a victim of sex trafficking or may become a victim of sex trafficking, however there is no evidence to support these allegations. In light of the Court's concerns, Mother

To be honest, my daughter was just taken by someone who had raped me with her very conception and sexually abused me many times after that. She's now being held hostage in an attempt to evade the charges. If you don't know, it's the deadliest scenario for a kidnapping.

If you had any support, i think it is a threat to me for working in the industry...

Thank you!

16. *President Biden donations and shifts towards SAFE gel: Arpa-H release February 21, 2024.* Ru and Nomi attend in DC when I also lived there, and mention they are going to work with me and help me with the submission, although they copied my work instead and had me beaten and raped again at the same time. This is in clear violation of **FAR 27.302** requires contractors to respect IP rights and ensure proper licensing or authorization for using patented or proprietary information in federally funded projects. They had **no pharmaceuticals for women** before stealing my work and then transitioned to work with the president after attacking me, using my work to be able to move up politically, and preventing me from doing so. They also blocked me from receiving the Arpa- H presidential seed funding in violation of **FAR 3.301 and FAR 3.303**.

17. I was blocked from funding, presidential meetings with the Abrahamic Accords, a **5 billion dollar program** that was also designed after my work.

Abrahamic Accords director representative, David Gans, confirmed the validity of my work and direct alignment and desire to work with me along with several other congressional representatives, although they were blocked from doing so, on **March 20th, 2024**. This blockage from the fund management **through their political alignment with Epstein attendee, President Trump, is also a FAR violation FAR 3.301 and FAR 3.303**.

18. I was also directly **blocked from attending women's health conferences during this time or risk having my child taken before she was taken**. They threatened this before the **FemTech London Women's health** via accelerator via Tatiana Klimanova that was designed for investor involvement of SAFE gel and refused to let me go, despite having purchased a ticket and completing the **7 month multimillion dollar average raise global accelerator**.

19. **Merck pharmaceuticals and Johnson and Johnson, via Jean Gervais, for top pharmaceutical acquisitions**, have also shown strong interest in developing SAFE gel and partnering with early development support, **further confirming the evaluations for value at 100 billion or 10% of the women's health market predictions for 2030**.

20. This further acknowledges the valuation of SAFE gel as a multi-billion dollar company and credibility in seeking 8 billion in damages from delays with presidential acquisitions from competitor retaliation interference in accordance with FAR violation suspected anti-competitive practices and antitrust law violations, as described in FAR 3.301 and FAR 3.303.

21. Elon Musk begins to harass me personally for over a year after starting immediately after escaping [REDACTED] in September 2024, through threatening the theft of [REDACTED] with the reports and the trafficking, making many sexual assault references to tying me up frequently against my will as confirmed by live police review of the messages and a harassment police charge against Elon in New Jersey on May 27th, 2025.

Elon went on to also directly attack me while pivoting his charity to women's health mimicking my program as well, investing 5 billion into the charity and also practicing FAR violations of FAR 33.209 Fraudulent Claims against subsequent cybersecurity grants and **FAR 3.501** for designing a program and then securing government contracts to create that technology to fill the program contract in violation of **FAR 3.104** after stealing my intellectual property for several years. **FAR 3.101-1** requires contractors to conduct business with integrity, fairness, and openness. **Elon in tandem with Bill and Melinda Gates Foundation trafficking coercion teams, engaged in coercive tactics or unethical behavior to obtain or use the plaintiff's IP in a federally funded project, this could violate FAR ethical standards.** **FAR 27.302** requires contractors to respect IP rights and ensure proper licensing or authorization for using patented or proprietary information in federally funded projects. **FAR 9.406-2** (causes for debarment, including fraud or misrepresentation in contract performance). Submitting false or misleading information to secure federal funding for initiatives based on stolen IP could constitute a FAR violation, potentially leading to debarment or penalties under the False Claims Act (31 U.S.C. §§ 3729–3733), which intersects with FAR compliance. General Cost Allowability Principles (FAR 31.201-2) If the contractor fails to deliver a required assignment, costs tied to that work (e.g., salaries, equipment, or subcontractor fees) may be deemed non-allocable, as they did not contribute to the contract's purpose. **Like all other traffickers, James Cook and Adam Brown, Elon continued to promise to marry me everyday, and demand it.**

These violations are pursued in ESX-L 00444-6 in Essex County New Jersey Superior Court and have also defaulted and have been confirmed by default clearing teams for service and processing of the trafficking charges.

22. No response or appearance was made by the defendant(s) within the legally prescribed timeframe following service of the summons and complaint. The defendants were also served in civil proceedings **ESX-L-004446-25** on **August 19th** for the same matters and refused all correspondence and were not added as additional final defendants to the case for failure to respond, they did this while also refusing all communication, only after the rapes and thefts.

23. Ru-Fong Joanne Cheng head of Bill and Melinda Gates Pharmaceuticals, initially reviewed

my work and said they were not funding the exact work they later funded to match my work, and then quit speaking with me the second time I was raped and they thought they successfully took my work. We first began talking April 2nd, 2024 after working with Nomi Fuchs head of womens health research, who was shortly after fired.

24. Second confirmed "breaking" raping and choking matching the same style of Blitz Rape with Adam Brown demanding me to be his wife in New Jersey on **08/09/2025**. **Police report number 25-16000** by Detective Miller and Detective Hernandez leads to arrest of Adam Brown in New Jersey, Garwood County investigators confirmed felony arrest with rape kit and evaluation at the emergency room hospital in New Jersey. Detective Hernandez confirmed the felony over the phone and prompted my fleeing from New Jersey to **Phoenix**. X-ray analysis confirms raping and straightening of neck from choking on **8/13/2025**. Witnesses confirm the attack in public of Adam Brown being rough with me.

Incident Report

On 8/9/2025 I (Detective Eric Miller #77) was notified of an alleged sexual assault that occurred at 256 Second Avenue, Garwood, NJ 07027 and that the victim was currently at Newark Beth Israel Medical Center (Newark, NJ). It should be noted that Garwood Police was notified by Cranford Police who received the initial call.

Upon my arrival at Newark Beth Israel Medical Center, I was led to fast track room #1 where I made contact with Police Officer Michael Gamba of the Cranford Police Department who was standing outside of the victim's room. P.O. Gamba reported that he was dispatched to the hospital after Newark Police reported to his agency that the victim was sexually assaulted in Cranford. After speaking with the victim, P.O. Gamba determined that a sexual assault occurred in Garwood and contacted us to respond.

At approximately 1743 hours, I initiated contact with the victim identified as Ms. [REDACTED]. Upon arrival, I introduced myself and confirmed that my body camera was activated. [REDACTED] consented to the recording. It should be noted that Essex County Sane Nurse Candice Chambers was also present in the room finishing up documentation for the sexual assault kit she obtained.

[REDACTED] stated that she met Mr. Adam Brown on August 2nd, 2025, at approximately 0330 hours at "Paul's Baby Grand Bar" located in the Moxy Hotel in New York City. She described Adam as a white male with blue eyes, brown hair, and approximately 5'9" in height. [REDACTED] reported that their initial meeting was unplanned, and Adam invited her to his hotel room shortly after their interaction.

[REDACTED] stated that she went to Adam's hotel room, accompanied by a male acquaintance whose name she could not recall. The hotel room was described as a large suite with separate living and bedroom areas. [REDACTED] reported that Adam began kissing her forcefully in a bedroom while her acquaintance was in another room. She described Adam's behavior as physically aggressive, including tight hugs and grabbing her in a manner she found uncomfortable.

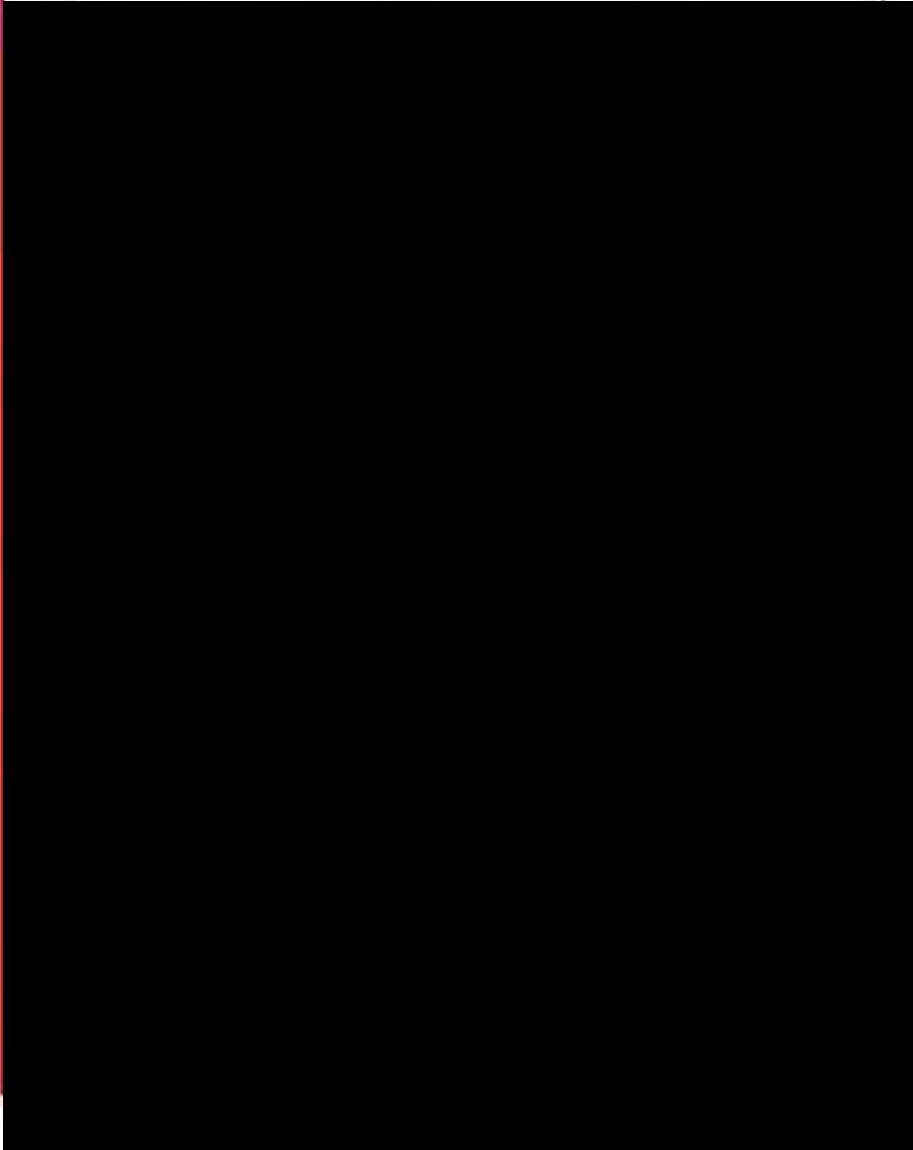

[REDACTED] stated that her acquaintance left the hotel room shortly thereafter, leaving her alone with Adam. She reported that Adam threw her onto the bed. [REDACTED] stated that she repeatedly asked Adam to calm down and expressed concerns about her preexisting physical injuries, but Adam continued his actions. Within five minutes, Adam reportedly removed her clothing, pinned her to the bed, and engaged in nonconsensual sexual intercourse in which he ejaculated inside of her. [REDACTED] stated that Adam made comments about making her his wife and impregnating her during the assault.

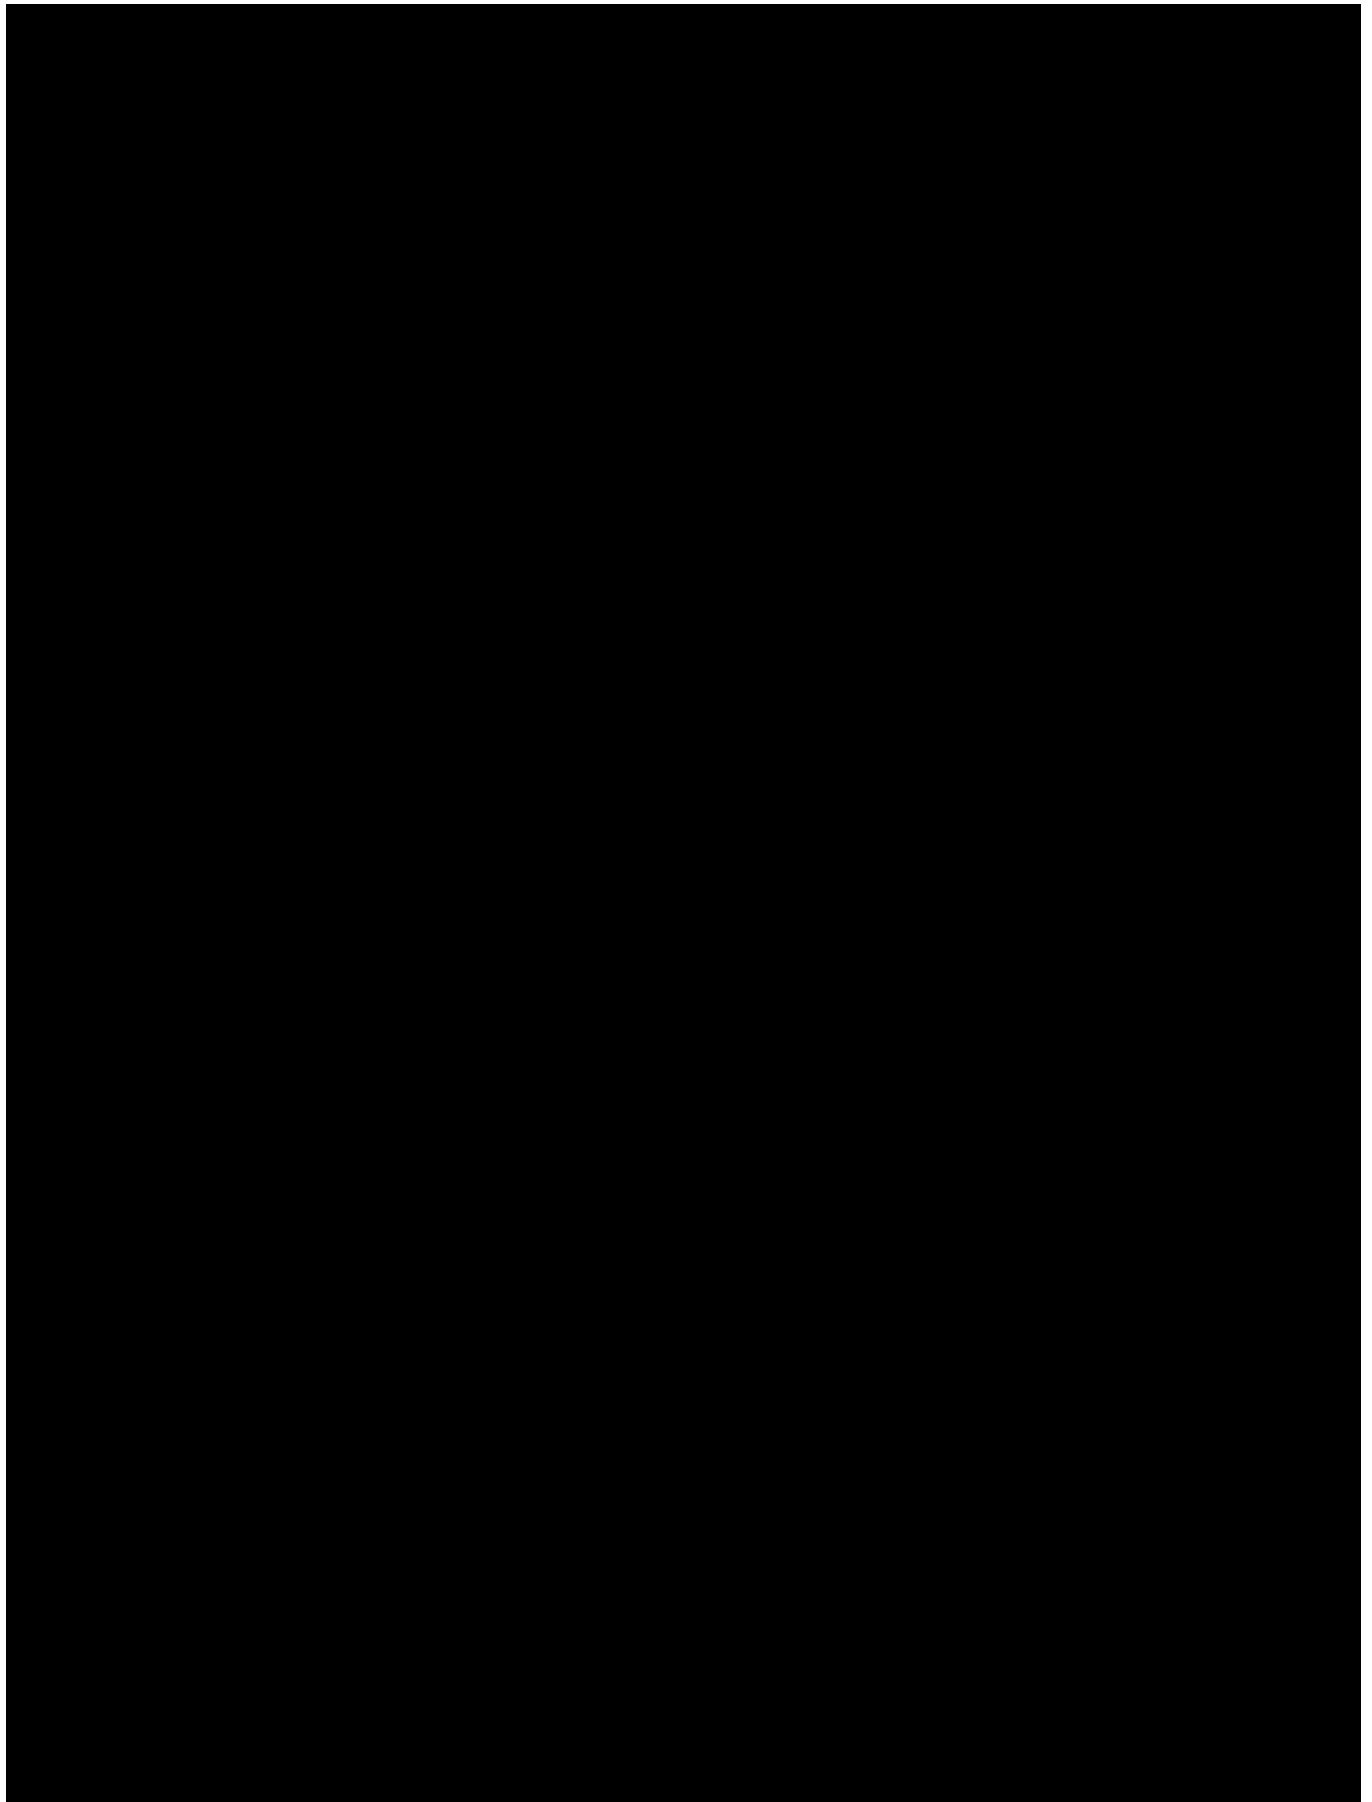

[REDACTED] reported that Adam continued to physically throw her around the room and grab her neck, causing bruising and exacerbating preexisting injuries. [REDACTED] described her physical condition following the assault as severe, including bruising and swelling that prevented her from touching her genital area for several days. [REDACTED] stated that she stayed with Adam overnight at the hotel.

[REDACTED] stated that at approximately 1700 hours on August 3, 2025 Adam called an Uber and took her to his residence located at 256 Second Avenue, Garwood, NJ. She described spending several hours at the residence before leaving at approximately 2200 hours via another Uber arranged by Adam.

It is obvious they use a similar choking method in the rapes to try and force me to stop reporting.

25. Immediate before the rape they then announce their new shift to matching my new program for women's uterus and fetal development on **August 4th, 2025 through the Gates Notes**. They change nothing from my site, they copy, to theirs, as a direct threat.

27. Ongoing **hacking has occurred from them putting my case files in the trash since I first began reporting to the police**, the most recent is the removal of this certification of proof from my drive and I had to dig it out. They have done this several times throughout the past year as confirmed with pictures of my things in the trash, as they take my work and copy it shortly after.

28. They have also retaliated in this case filing by only mentioning [REDACTED] who has my daughter in their motion to dismiss the default ignoring all evidence of proper service, as well as using the same document form as [REDACTED] did in their submission, quietly threatening they have my daughter and I should stop working and stop reporting. You can see the similar lawyer form types here and also similar methods of full denial of all evidence and attempts to hinder court processes. **They did not mention Adam Brown or the other attacks, specifically to let me know they did hire [REDACTED], they have funded his legal work, and are responsible for attacking me without cause and hiring a trafficker to pretend to love me, simply to steal my things and my baby for further trafficking.**

Hi guys! I just saw you made the pivot to my work
and I would love to work with you on it if that's
possible! I have been getting raped and beaten every
time that you guys have a "shift" in your work that
matches mine. I wanted to know if you knew about
what was happening. It is directly related to the
Biden and Trump administration and I would love to
try and get things fixed. I did file police reports and a
civil case just confirming the rapes and traffickings
for the thefts. Can we please discuss this? I know
Bill is comfortable with trafficking, as are the others

daughter as collateral. Anything you're willing to do

Repetitive Method of 5 “Husbands” Attacks Confirming Trafficking

Each bad report on my credit is only affiliated with the attackers at that time, or have a man’s name associated.

Each attacker would pretend to marry me and ask me to do a series of big things with them that a husband would typically do by force, like taking out a credit card with them, buying a car etc, and then wanting to get engaged, before the abuse would worsen and then I would be given an opportunity to escape. Tyler Gonzalez asked me to open a Wells Fargo credit card and an Maxfield LA apartment in my name, offering to help pay for it and then leaving me with all bills and forcing me with bad credit after extreme sexual and emotional abuse **starting in 2016**, at the beginning of my work on SAFE, and the first term from President Trump. He would not let me work, or attack my work modeling. **His attacks and name are recorded on my credit score and have been submitted to credit bureaus.** His physical attacks included choking up against a wall.

I will never get tired of loving you, because loving you is my happiness.

Adam Brown, 2025, then raped me in New York, **demanding me to be his wife** as he began choking me and throwing me around the hotel room. This was confirmed in a felony investigation completed by Eric Miller.

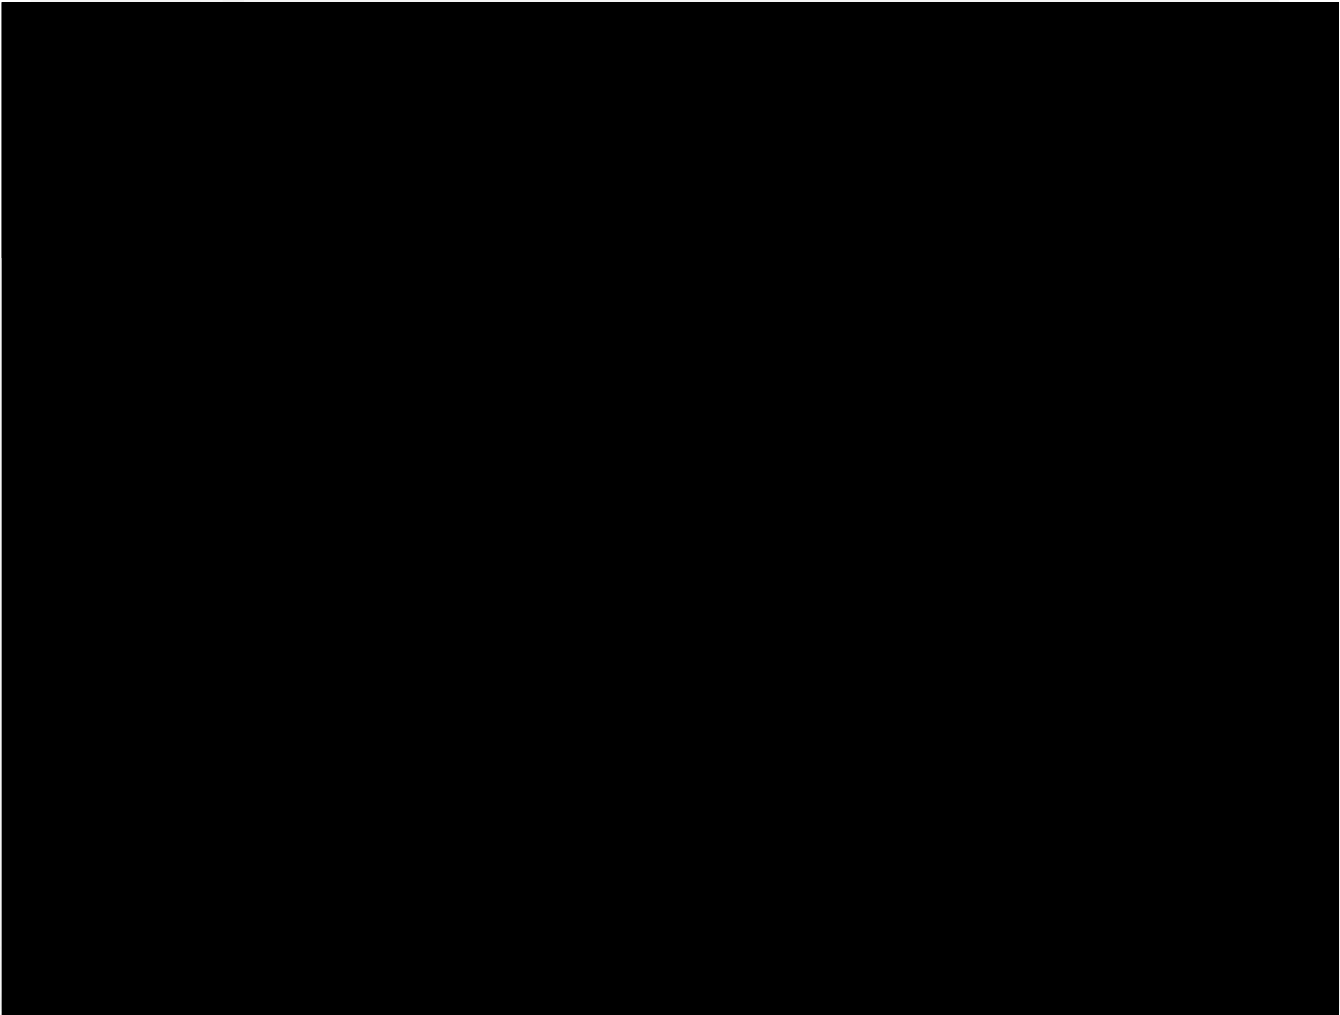

manner she found uncomfortable.

█████ stated that her acquaintance left the hotel room shortly thereafter, leaving her alone with Adam. She reported that Adam threw her onto the bed. █████ stated that she repeatedly asked Adam to calm down and expressed concerns about her preexisting physical injuries, but Adam continued his actions. Within five minutes, Adam reportedly removed her clothing, pinned her to the bed, and engaged in nonconsensual sexual intercourse in which he ejaculated inside of her. █████ stated that Adam made comments about making her his wife and impregnating her during the assault.

█████ reported that Adam continued to physically throw her around the room and grab her neck, causing bruising and exacerbating preexisting injuries. █████ described her physical condition following the assault as severe, including bruising and swelling that prevented her from touching her genital area for several days. █████ stated that she stayed with Adam overnight at the hotel.

█████ stated that at approximately 1700 hours on August 3, 2025 Adam called an Uber and took her to his residence located at 256 Second Avenue, Garwood, NJ. She described spending several hours at the residence before leaving at approximately 2200 hours via another Uber arranged by Adam.

Second confirmed "breaking" raping and choking matching the same style of Blitz Rape with Adam Brown demanding me to be his wife in New Jersey on **08/09/2025**. Police report number **25-16000** by Detective Miller and Detective Hernandez leads to arrest of Adam Brown in New Jersey, Garwood County investigators confirmed felony arrest with rape kit and evaluation at the emergency room hospital in New Jersey. Detective Hernandez confirmed the felony over the phone and prompted my fleeing from New Jersey to Phoenix. X-ray analysis confirms raping and straightening of neck from choking on **8/13/2025**. Witnesses confirm the attack in public of Adam Brown being rough with me.

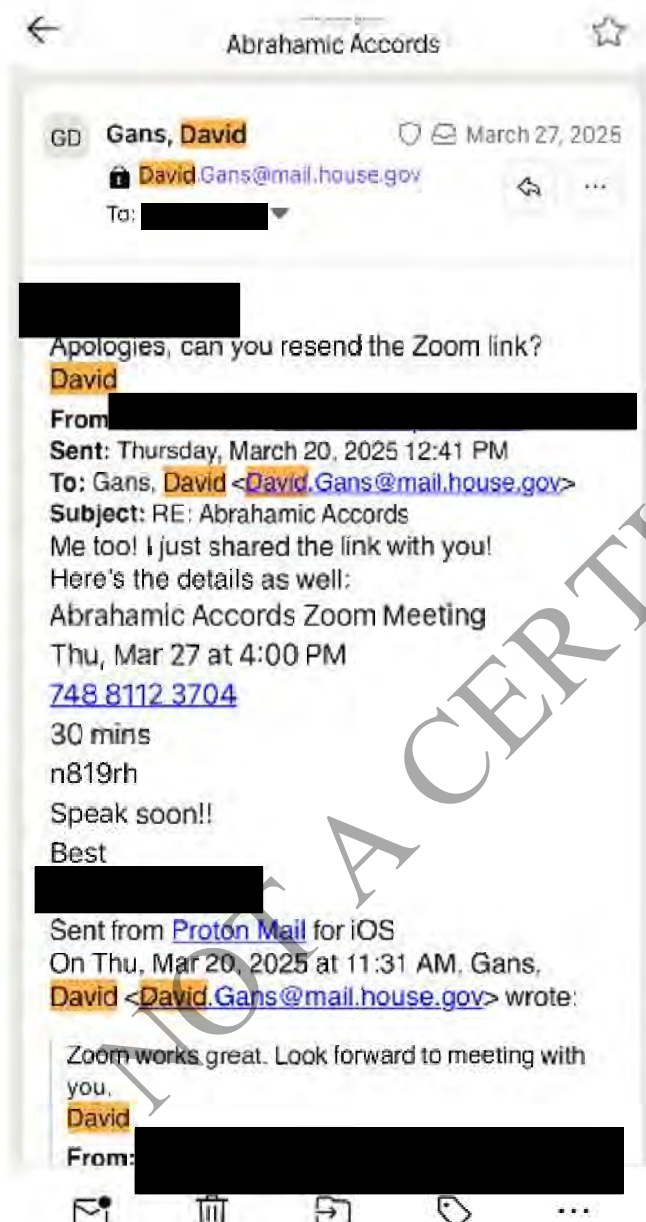

It is obvious they use a similar choking method in the rapes to try and force me to stop reporting.

Abrahamic Accords director representative, David Gans, confirmed the validity of my work and direct alignment and desire to work with me along with several other congressional representatives, although they were blocked from doing so, on **March 20th, 2024**. This blockage from the fund management **through their political alignment with Elon and President Trump**, is also a FAR violation FAR 3.301 and FAR 3.303.

Custody orders from Judge Gilla Marciopa Family courts case number FC20240004758 refusing me access to my daughter for filing trafficking reports filed September 23rd, 2024 and 10/6/205.

Respondent

ORDER FOR PATERNITY, LEGAL DECISION MAKING, PARENTING TIME AND CHILD SUPPORT

Pending before the Court is Petitioner ██████████'s Petition for Court Order for Paternity and Legal Decision-Making filed on September 4, 2024. Respondent ██████████ was served on September 17, 2024. The Parties share one child in common, ██████████, born on ██████████. Paternity was established by the Court on September 23, 2024.

Mother resides at an unknown location. Recent filings noted an address in ██████████ but previous investigation by the court appointed Guardian Ad Litem indicate Mother was residing in ██████████. At trial Mother testified she is now living back in ██████████. On September 23, 2024, the Court issued Temporary Orders, awarding Father sole legal decision-making authority and Mother supervised parenting time. The Court had significant concerns regarding Mother's mental health stability.

Since the filing of the Petition, Mother has been prolific in her filings most notable are the following:

1. Motion to Submit Evidence of Sex Trafficking Coercion (filed on October 23, 2024, Docket #33),
2. Motion to Warrant Arrest for Child Concealment (filed on November 9, 2024, Docket #37),
3. Motion to Dismiss on Jurisdictional and Improper Filing Procedures, (filed on November 20, 2024, Docket 41),
4. Motion to Submit Trafficking Victim Support Letter (filed on November 26, 2024, Docket 46),

Abraham Accords mimicked SAFE Gel from Trump Presidency 2018 and copied work from me and my dad that I **started as a child in 2006**. My uncle confirms that my father and I started working on the Abraham Accords when I was 8.

AI Overview

Yes, based on recent news reports and the current date of November 7, 2025, it is accurate that **Pete Hegseth is the U.S. Secretary of Defense**. The information provided regarding his cancellation of the **Defense Civilian Human Resources Management System (DCHRMS)** software development program is consistent with reports from March 2025.

According to reports from around that time, Hegseth cited significant problems with the program, stating it was:

- **Six years behind schedule.**
- **More than \$280 million over budget.**
- **Described as 780% over budget.**

Hegseth announced the cancellation as part of a broader effort to cut "wasteful spending" at the Pentagon. He noted that streamlining the HR management system remains an important goal and directed relevant DoD officials to develop a new plan.

Both Microsoft and its Founder Have a Poor History of Sexual Misconduct Allegations

On Behalf of [Allred, Maroko & Goldberg](#) | Jul 16, 2021 | [Employee Rights](#)

Female Microsoft employees have reported numerous instances of sexual misconduct over the past few decades. Recently, allegations of improper workplace misconduct have surfaced against its co-founder Bill Gates, known globally as the billionaire philanthropist and software pioneer.

Microsoft's Record of Sexual Harassment and Discrimination

In the past decade, Microsoft faced a class-action sexual misconduct lawsuit involving 238 of its female employees. In 2019, an email chain gained widespread notoriety as female Microsoft employees detailed the rampant sexual discrimination and harassment that they suffered at work.

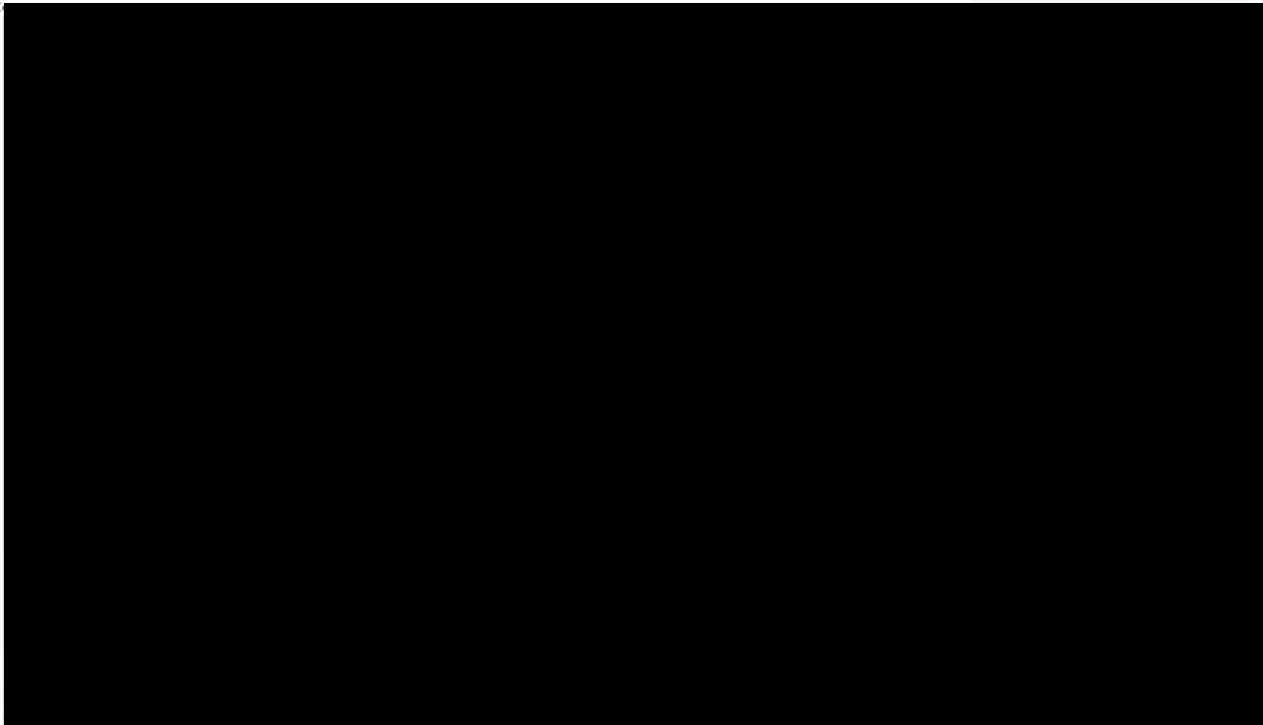

3. *Nomi Fuchs-Montgomery first received my work in August 3rd, 2023 immediate before my first brutal rape from [REDACTED] in Phoenix Arizona, who was arrested for it, on September 2nd, 2023 when they then copied my work in non-hormonal contraceptives and announced its fundraising. This attack resulted in spinal cord, eye, and neck damage that has not been reversible for 2 years despite extensive physical therapy.* My eyesight has continued to deteriorate after the attack, as proven with eye examination records. **An attempt to report the rape then led to my arrest and** removal of my child, preventing me from reporting the rape within the one year mark. The arrest was made on August 5th, 2024 on claims of child abuse immediate dropped for false claims. They then threatened me repeatedly in court to not allow me to see my daughter unless I stopped reporting, even paying off the judge who was removed

from the case for judicial malpractice. Since then, they have still openly attacked me in court for reporting and refuse to give me [REDACTED] back, mentioning directly it is for reporting.

Professor Barrat** also confirmed via email my legitimacy in my work and correct science compared to their flawed copy. Nomi was fired afterwards.

[REDACTED] **was fully arrested for the aggravated sexual assault** in September 2nd, 2023 in Phoenix Arizona by Natalie Simonick after a year long investigation, and the investigation is ongoing as [REDACTED] continues to accrue felony custodial interference charges, and sexual assaults under the direction of Bill Gates and the charity.

[REDACTED] is confirmed with filing a false police report to prevent me from being able to report and also steal my daughter [REDACTED] that led to a felony custodial interference arrest of [REDACTED] his mother, and his affiliation with the arrest, as the investigators confirmed in the report from documenting the lies told to police officers, and the hindrance of the arrest of [REDACTED] in the investigation of James Cook, as included in their report. **Full police report is included in the Supplemental Complaint report in the case jacket for reference.**

A team of Scottish researchers have received a US\$4.4m grant from the Bill & Melinda Gates Foundation to help discover a new contraceptive that would slow down sperm in the female reproductive system.

The team from the University of Dundee have discovered chemical combinations that stall sperm so that they will never be able to swim far enough to fertilise an egg.

The researchers have screened "drug libraries" to detect combinations that can disable sperm without being toxic and have so far spotted two potential candidates.

"These compounds stop the sperm swimming fast," explained Professor Chris Barratt of the School of Medicine.

TEMPORARY ORDERS

Mother filed for an OOP on September 5, 2024. The child was placed on that order. Later that same day, Father also filed for an OOP. Father had very different information. Judge Goepper held a follow-up hearing with both parties on the 6th. The child was removed from Mother's OOP and the matter was referred to the Family Department for TO's.

Earlier, this Court had denied Mother's Motion for Temporary Orders Without Notice, noting that the child was on the OOP. This Court vacated that earlier denial and scheduled a TO hearing with Notice.

**ORDER FOR PATERNITY, LEGAL DECISION MAKING, PARENTING
TIME AND CHILD SUPPORT**

Pending before the Court is Petitioner [REDACTED] Petition for Court Order for Paternity and Legal Decision-Making filed on September 4, 2024. Respondent [REDACTED] was served on September 17, 2024. The Parties share one child in common [REDACTED] [REDACTED] was established by the Court on September 23, 2024.

Mother resides at an unknown location. Recent filings noted an address in New Jersey, but previous investigation by the court appointed Guardian Ad Litem indicate Mother was residing in Nebraska. At trial Mother testified she is now living back in Arizona. On September 23, 2024, the Court issued Temporary Orders, awarding Father sole legal decision-making authority and Mother supervised parenting time. The Court had significant concerns regarding Mother's mental health stability.

Since the filing of the Petition, Mother has been prolific in her filings most notable are the following:

1. Motion to Submit Evidence of Sex Trafficking Coercion (filed on October 23, 2024, Docket #33),
2. Motion to Warrant Arrest for Child Concealment (filed on November 9, 2024, Docket #37),
3. Motion to Dismiss on Jurisdictional and Improper Filing Procedures, (filed on November 20, 2024, Docket 41),
4. Motion to Submit Trafficking Victim Support Letter (filed on November 26, 2024, Docket 46),
5. Motion to Submit Evidence from CPS and clear evidence of premeditated kidnapping for trafficking efforts (filed on December 20, 2024, Docket #56),
6. Motion to Transfer Case to Alexandria Virginia, (filed on May 16, 2025, Docket #67).

The nature of Mother's filings contributes to the Court's continued concern for her mental stability. In her Motions, Mother is convinced the child is either a victim of sex trafficking or may become a victim of sex trafficking, however there is no evidence to support these allegations. In light of the Court's concerns, Mother

**IN THE CIRCUIT COURT OF THE FIFTEENTH JUDICIAL CIRCUIT
IN AND FOR PALM BEACH COUNTY, FLORIDA**

Case No. 50-2025-CA012282-XXX-AMB

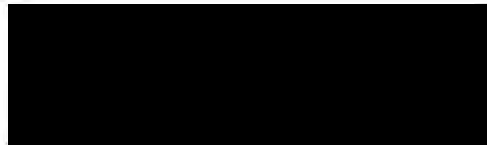

Plaintiffs,

v.

Donald J Trump

Defendants.

**PLAINTIFFS' MOTION TO ESTABLISH IDENTICAL MODUS OPERANDI WITH THE
JEFFREY EPSTEIN SEX-TRAFFICKING ENTERPRISE AND FOR JUDICIAL NOTICE OF
ADJUDICATED FACTS AND UNSEALED PUBLIC RECORDS**

Plaintiffs [REDACTED], appearing pro se, move this Court in all three above-captioned actions to take judicial notice of public records from the Jeffrey Epstein/Ghislaine Maxwell federal and state cases and to find that Defendants' conduct from 2018 to the present follows an **identical modus operandi** to the convicted Epstein sex-trafficking enterprise.

I. Judicial Notice Is Proper and Mandatory

The Court may take judicial notice of the following adjudicated facts and unsealed public records whose authenticity is not subject to reasonable dispute (Ariz. R. Evid. 201; N.J.R.E. 201; Fla. Stat. § 90.202(6)):

1. U.S. v. Jeffrey Epstein (S.D. Fla. 08-80117, 2008) – 2006 Palm Beach Grand Jury transcripts

2. U.S. v. Ghislaine Maxwell (S.D.N.Y. 20-cr-330, 2021) – trial record and indictment
3. Giuffre v. Maxwell (S.D.N.Y. 15-cv-7433) – documents unsealed 2019–2025
4. 2025 House Oversight Committee release of Epstein calendars, messages, and estate files
5. Published victim impact statements (2019–2025)

II. Identical Modus Operandi – Side-by-Side Comparison

Phase of Criminal Enterprise	Epstein Enterprise (Public Record)	Plaintiffs' Experience Against These Defendants	Conclusion
Grooming with promises of opportunity & elite access	Victims lured with modeling, education, funding, "meet powerful people" (Giuffre, Davies, 2006 grand jury)	2018–2022: Plaintiff [REDACTED] approached with promises of global impact/funding for SAFE non-hormonal contraceptive gel via Gates Foundation & Musk-linked networks	Identical
Trusted disclosure → immediate sexual assault & theft	Assaults occurred right after victims gave something of value (Araoz raped after grooming; Davies raped after travel)	2022: Plaintiff sexually assaulted immediately after confidential disclosure of SAFE formulation in Gates Foundation meetings	Identical
Theft of victim's asset for network enrichment	Victims' bodies trafficked to Clinton, Gates, Prince Andrew, etc.	Plaintiff's IP (provisional patents 63/628216 et al.) announced by Gates Foundation 2023–2025 and exploited by Musk/DHS networks	Identical
Violent retaliation upon resistance/exposure	Every major accuser received death threats & violence after speaking (Giuffre, Farmer sisters, 27 survivors in 2025 testimony)	2023–2025: Plaintiff suffered five (5) attempted murders/violent attacks each time she filed patents or lawsuits exposing the theft	Identical

Targeting of victim's child	Epstein/Maxwell recruited sisters & used children as leverage (Annie & Maria Farmer; 14-year-old recruits)	Ongoing threats to custody and life of minor plaintiff [REDACTED]	Identical
Palm Beach / Mar-a-Lago nexus	Primary recruitment site 2001–2005 (15-year-old Mar-a-Lago employee)	Current Florida action filed in Palm Beach County involving same geographic & social nexus	Literal same location
Bill Gates / Gates Foundation overlap	Gates met Epstein 7+ times post-conviction; listed repeatedly in 2025 unsealed files	Gates Foundation received & announced Plaintiff's stolen technology	Same entity
Elon Musk overlap	Musk appears in redacted 2025 Epstein estate files & calendars; visited Epstein mansion	Defendant Elon Musk personally involved in 2024–2025 meetings while attacks escalated	Same individual
Institutional protection & betrayal	2006 grand jury threatened victims; FBI ignored 1996 report; media spiked stories	Courts, DHS, and foundations repeatedly ignore or punish Plaintiff instead of investigating	Identical cover-up pattern

III. Legal Effect

Defendants' conduct is **identical in every material respect** to the Epstein enterprise already adjudicated as sex trafficking, conspiracy, racketeering, and related crimes. This un rebutted pattern evidence satisfies prima facie every element of Plaintiffs' claims under:

- Arizona: A.R.S. §§ 13-1307, 13-2312, 13-2921
- New Jersey: N.J.S.A. 2C:13-8, 2C:41-2 (RICO)
- Florida: F.S. §§ 787.06, 772.104 (civil RICO), 95.11(3)(o)

IV. Relief Requested

Plaintiffs respectfully request that this Court:

1. Take judicial notice of the Epstein records cited above;
2. Enter a finding that Defendants employed the **identical modus operandi** of the convicted Jeffrey Epstein sex-trafficking enterprise;

3. Deem all elements of human trafficking, assassination attempts, conspiracy, RICO, and related claims established as a matter of law;
4. Schedule an immediate hearing on default or summary judgment from **emergent risk to**

Respectfully submitted this 24th day of November, 2025,

Certificate of Service

I certify that on November 24, 2025, I served the foregoing via the method required by each court upon all parties of record.
